## Burnham - First Speech

**Thursday, July 23, 2026 9:35 AM UTC**
**Universe = 1050 cases**

1 How closely, if at all, have you been following stories about....?
2 How closely, if at all, have you been following stories about....? - The rising cost of living vs Demographics
3 How closely, if at all, have you been following stories about....? - The men's Fifa World Cup vs Demographics
4 How closely, if at all, have you been following stories about....? - The conflict in the Middle East vs Demographics
5 How closely, if at all, have you been following stories about....? - The Clacton by-election vs Demographics
6 How closely, if at all, have you been following stories about....? - Andy Burnham's appointment as Prime Minister vs Demographics
7 How closely, if at all, have you been following stories about....? - Andy Burnham's proposed policies as Prime Minister vs Demographics
8 Does everything you've seen or heard about Andy Burnham so far, if anything, make you feel ...? vs Demographics
9 And from what you've seen or heard about Andy Burnham, if anything, do you think he will change the country for the better, worse, or make no difference? vs Demographics
10 Thinking about Andy Burnham's promises and plans, how long do you think it should realistically take before you start to see noticeable improvements in the areas that matter most to you? vs Demographics
11 And how long do you think it actually will take before you start to see noticeable improvements in the areas that matter most to you? vs Demographics
12 To what extent, if at all, would you say you are concerned about the cost of living over the next six months for each of the following?
13 To what extent, if at all, would you say you are concerned about the cost of living over the next six months for each of the following? - You personally vs Demographics
14 To what extent, if at all, would you say you are concerned about the cost of living over the next six months for each of the following? - People in the area you live vs Demographics
15 To what extent, if at all, would you say you are concerned about the cost of living over the next six months for each of the following? - The country as a whole vs Demographics
16 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now.
17 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - The cost of your food shopping vs Demographics
18 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - The cost of your other household shopping vs Demographics
19 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - The cost of your utilities, e.g. gas, electric, etc. vs Demographics
20 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - The overall cost of your subscriptions, e.g. media, leisure, etc. vs Demographics
21 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - Your motoring fuel costs, e.g. diesel, petrol, etc. vs Demographics
22 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - Your mortgage/rent vs Demographics
23 Thinking now about your household spend in the next 6 months, for each of the following types of spend, please say whether you expect it to increase, decrease or the stay the same as it is now. - The overall cost of going out socialising e.g. cinema, café's, restaurants, pubs, clubs, etc. vs Demographics
24 Over the next year, do you think each of the following will rise, decline, or stay at about the same level?
25 Over the next year, do you think each of the following will rise, decline, or stay at about the same level? - The rate of inflation (how much prices are going up by) vs Demographics
26 Over the next year, do you think each of the following will rise, decline, or stay at about the same level? - Interest rates vs Demographics
27 Over the next year, do you think each of the following will rise, decline, or stay at about the same level? - The taxes you pay vs Demographics
28 Over the next year, do you think each of the following will rise, decline, or stay at about the same level? - Your own standard of living vs Demographics
29 Over the next year, do you think each of the following will rise, decline, or stay at about the same level? - Your disposable income (what you can spend after paying your bills for living expenses) vs Demographics
30 Do you think that Andy Burnham's government will do a good or bad job at managing the rising cost of living? vs Demographics
